TO WHOM IT MAY CONCERN

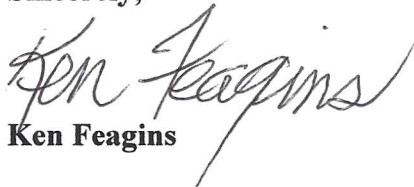

RE: JACKSON ROOFING
CHRIS JACKSON, OWNER

Jackson Roofing is a very professional roofing company, great work crews, and their work is above reproach. They have done two roofs for me, many of my friends and neighbors, and did the slate shingle roof on our church (Schrieber MUMC). I have not heard one complaint on their work, it is always professionally done, excellent completed look and at the best price.

I have known Chris Jackson for nine years. Met him when he did my roof the first time, a very impressive young man, honest and always a perfect gentleman. He has the highest rating that the Better Business Bureau awards, which speaks volumes in this business world today.

I highly recommend JACKSON ROOFING without reservation as the very best roofing company in business. You may call me (cell # 972 415-1201) or email (KFea525103@aol.com), at any time.

Sincerely,

Ken Feagins
